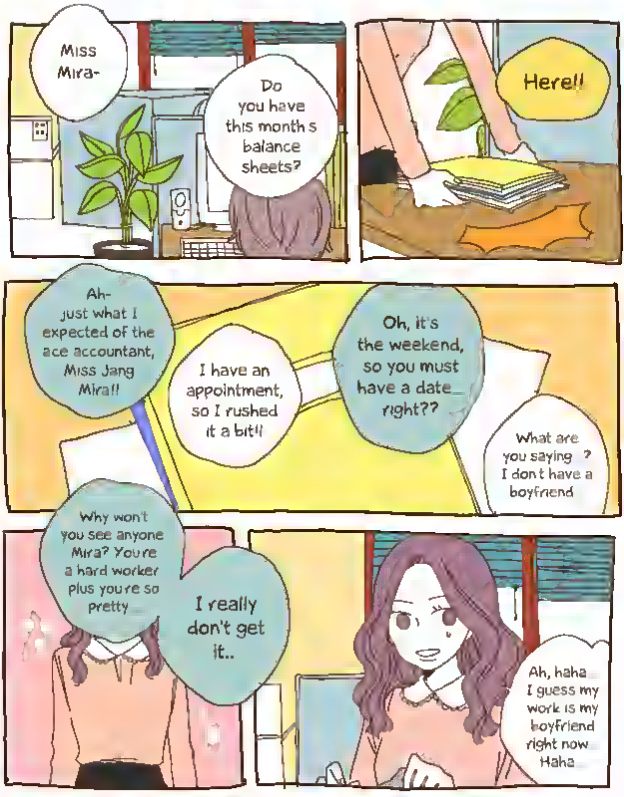
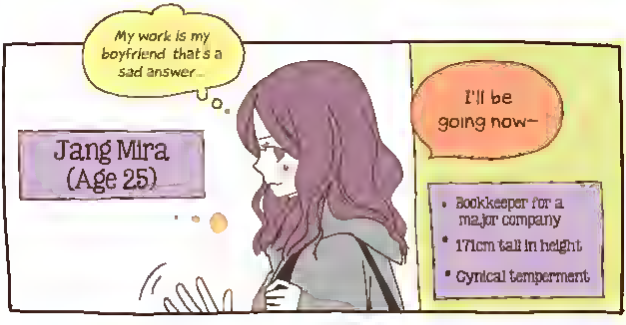
Let's randomly pick
three people from this crowd.



Miss Mira-
Do you have this month's balance sheets?
Here!!
Ah- just what I expected of the ace accountant, Miss Jang Mira!!
I have an appointment, so I rushed it a bit!!
Oh, it's the weekend, so you must have a date right??
What are you saying ? I don't have a boyfriend
Why won't you see anyone Mira? You're a hard worker plus you're so pretty
I really don't get it..
Ah, haha I guess my work is my boyfriend right now Haha

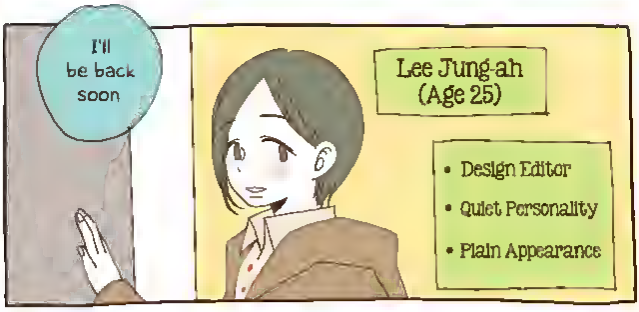
Here is one...



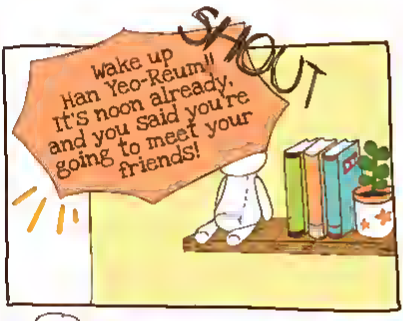
My work is my boyfriend that's a sad answer...
Jang Mira (Age 25)
I'll be going now~
• Bookkeeper for a major company
• 171cm tall in height
• Cynical temperment

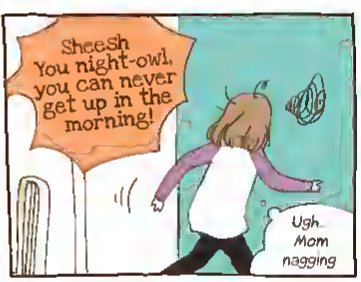
Jang Mira, 25 years old Peculiarity Single for the last seven years.

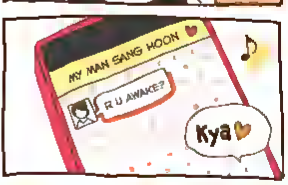
Here is another one.

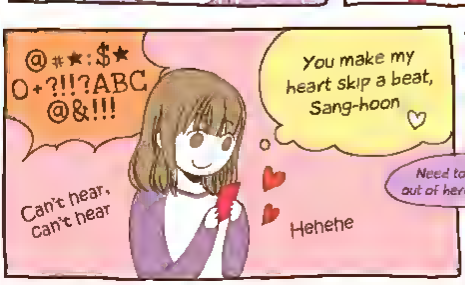


Lee Jung-ah, 25 years old. Peculiarity: Living together with her boyfriend of five years.

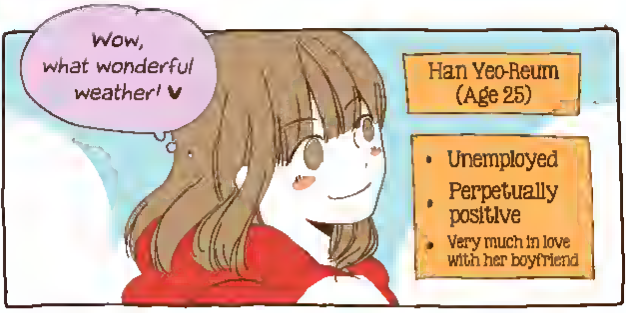








And the last one.



Han Yeo-Reum, 25 years old. Peculiarity: No money, no dreams, no worries. All she has is experience from all sorts of part-time jobs, and her cute boyfriend.

This story is about these three women:

Working.

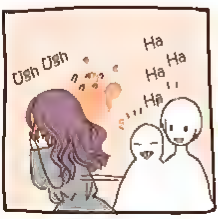
eating.

dating.

getting angry.

laughing.

crying.



getting embarassed.

being happy.

and sometimes sorrowful.

Stories are so common that it's almost boring, but stories that don't really happen to us nonetheless...

It's a common story to someone else.

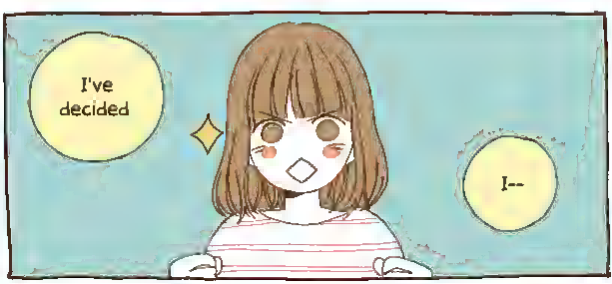
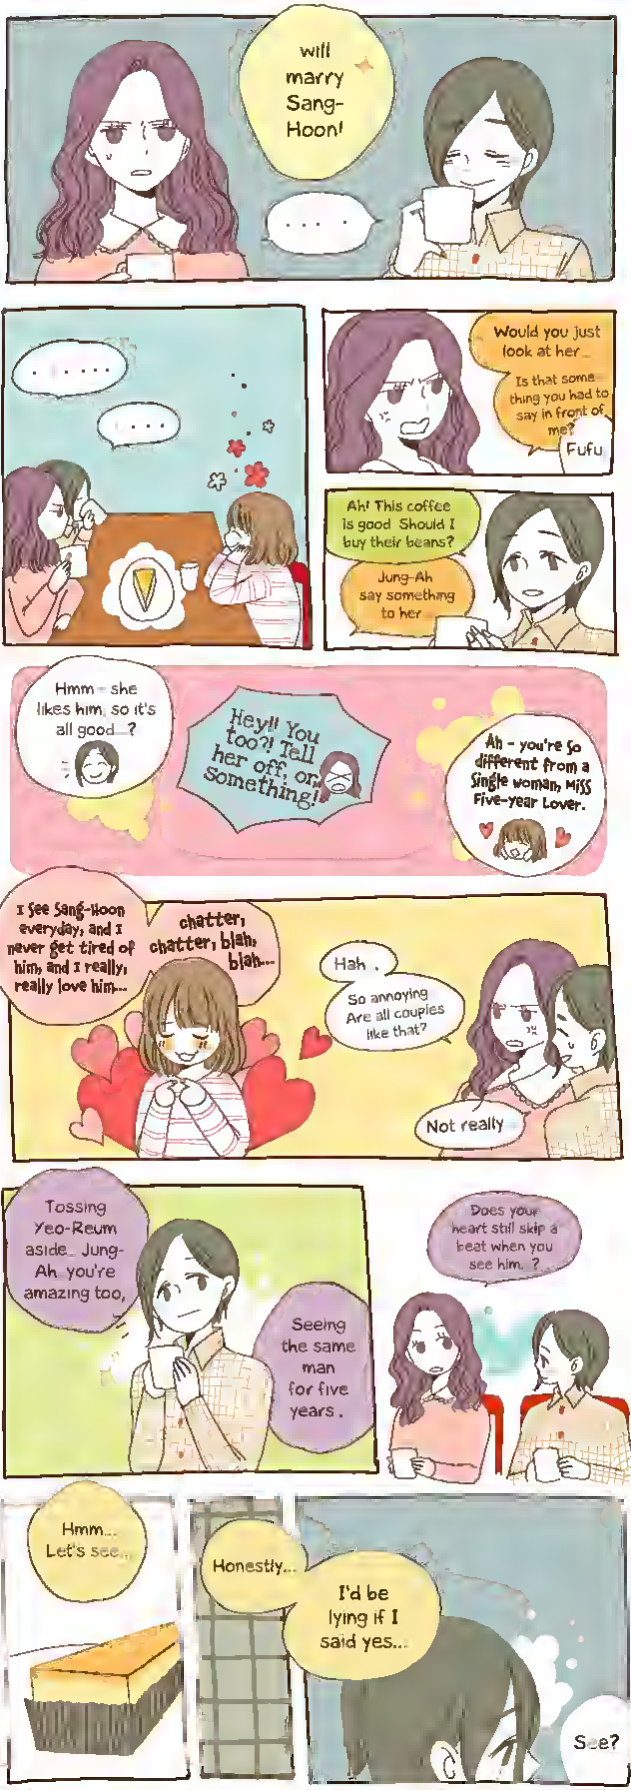
THE STORY OF SOMEONE WE KNOW.

Ep. 1. Three Women, Aged 25





will marry Sang-Hoon!
. . . .
. . . . .
. . . .
Would you just look at her..
Is that something you had to say in front of me?
Fufu
Ah! This coffee is good. Should I buy their beans?
Jung-Ah say something to her
Hmm - she likes him, so it's all good...?
Hey!! You too?! Tell her off, or something!!
Ah - you're so different from a single woman, Miss Five-year Lover.
I see Sang-Hoon everyday, and I never get tired of him, and I really, really love him...
chatter, chatter, blah, blah...
Hah .
So annoying. Are all couples like that?
Not really
Tossing Yeo-Reum aside.. Jung-Ah you're amazing too,
Seeing the same man for five years .
Does your heart still skip a beat when you see him. ?
Hmm... Let's see..
Honestly...
I'd be lying if I said yes...
See?

But, you know...

Without the missed heartbeats, it's relaxing...

Maybe it's because we've been so close to each other for a long time...

We know what the other likes, or hates, we know every little thing.

We respect each other, so we don't fight often, and we trust one another...

Without having to do anything special for one another, we take comfort in staying by each others' side...

But even so...

Yum

Isn't it boring...?

If you know each other so well, that means there isn't anything new to learn about them anymore.

The joy of finding something new about a person, the excitement of waiting for him before an appointment, the effort to apologise to each other after a fight

If that is all gone, then how different is it from family..?!

Wow - you're the first to ask that!

Haha...

Ah- It's because I'm just some single woman~ forget it! I'm going, bye!

Eh?! Where are you going?!

I said I had to meet someone today!

Who is it? I wanna go, too!!

It's someone you don't know, okay?

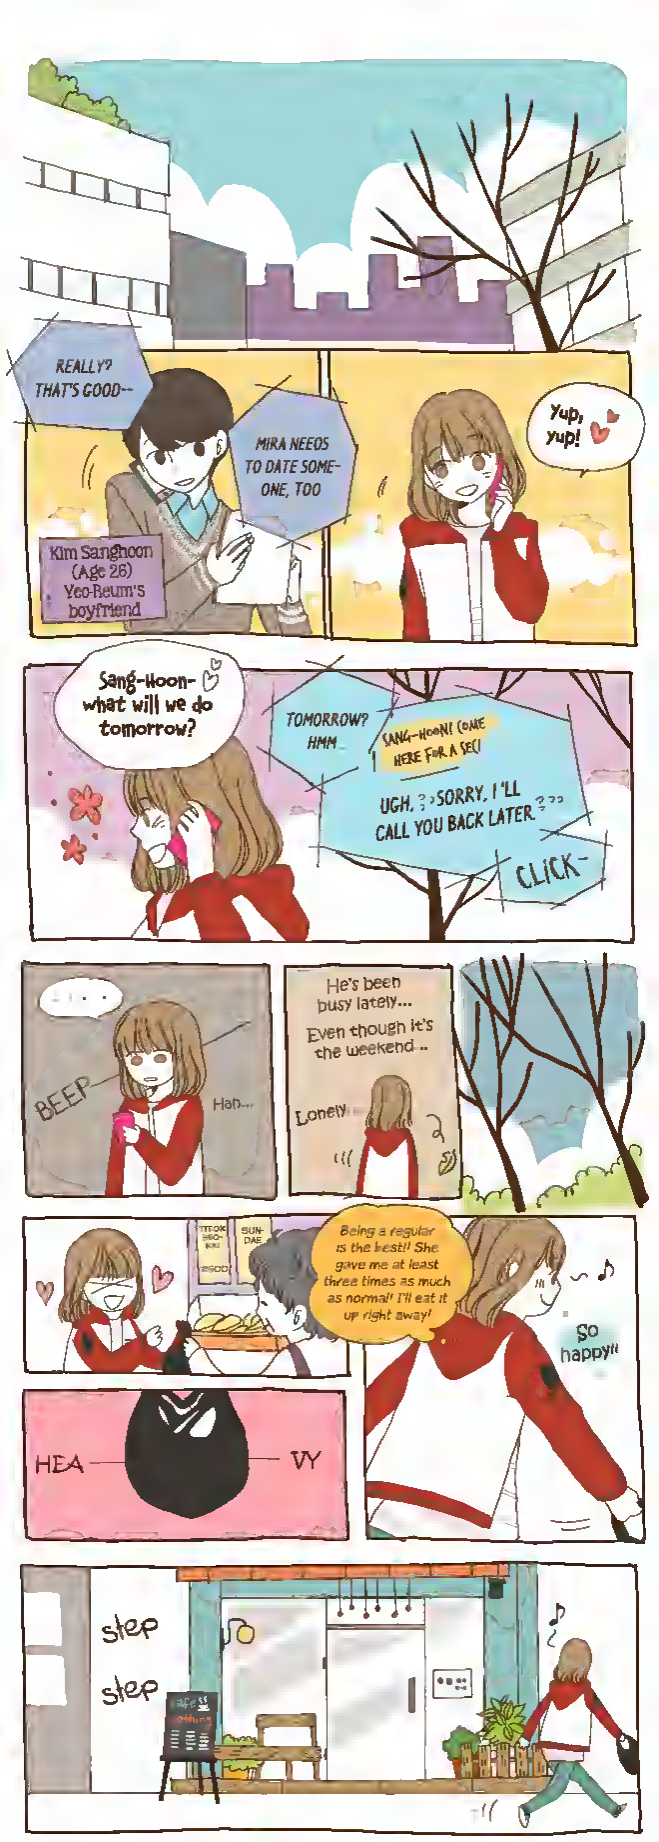
Lies!

You don't have any friends besides us!

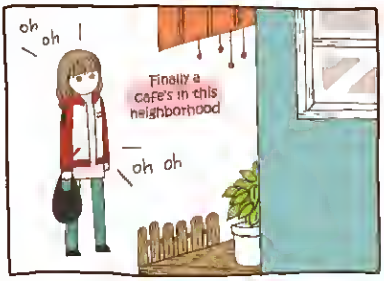
If it's not a man then take me too!!

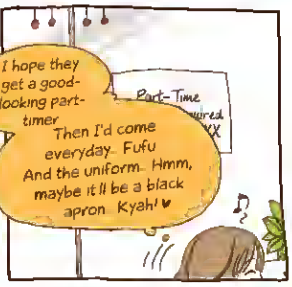
??

Oh My God
A boy friend?
Jung-Ah, Mira is actually meeting with a man
Tell us who it is!!
Wa-Ware!
I was set-up
Oh..
Our Mira is Finally..
tears
up
Wait I'm the one going on the date so why are you girls so excited?!
Oh dear..
Your meeting up with a man is not just an issue, it's a hot issue!
She even wore heels today!!
TA
DA!
You didn't like them because you were already tall! Kekeke..
I thought you hated being set-up on dates? Kekeke
Here's your jacket
It's not because I like it..
My co-worker just made an appointment on her own
That's good though
Yup, yup! You need to try something new once in a while!
Anyway!
AH
EM
Wish me luck! Fingers crossed he's as good looking as a model!
If he's alright, "Sprite"! If not, "Coke"! Text us!!
She's gone..
Yeo-Reum
I have something to do so I have to go...
Both of you are so mean!!
I even washed my hair..



REALLY? THAT'S GOOD--
MIRA NEEDS TO DATE SOMEONE, TOO
Kim Sanghoon (Age 26) Yeo-Reum's boyfriend
Yup, yup!
Sang-Hoon- what will we do tomorrow?
TOMORROW? HMM...
SANG-HOON! COME HERE FOR A SEC!
UGH, ? SORRY, I'LL CALL YOU BACK LATER. ???
CLICK-
BEEP
Hah...
He's been busy lately... Even though it's the weekend...
Lonely...
Being a regular is the best!! She gave me at least three times as much as normal! I'll eat it up right away!
So happy!!
HEA
VY
step
step





A small café won't be busy, right?

The uniform might be cute.

Sang-Hoon is busy, and being jobless is boring right now.

So should I get a part-time job...?

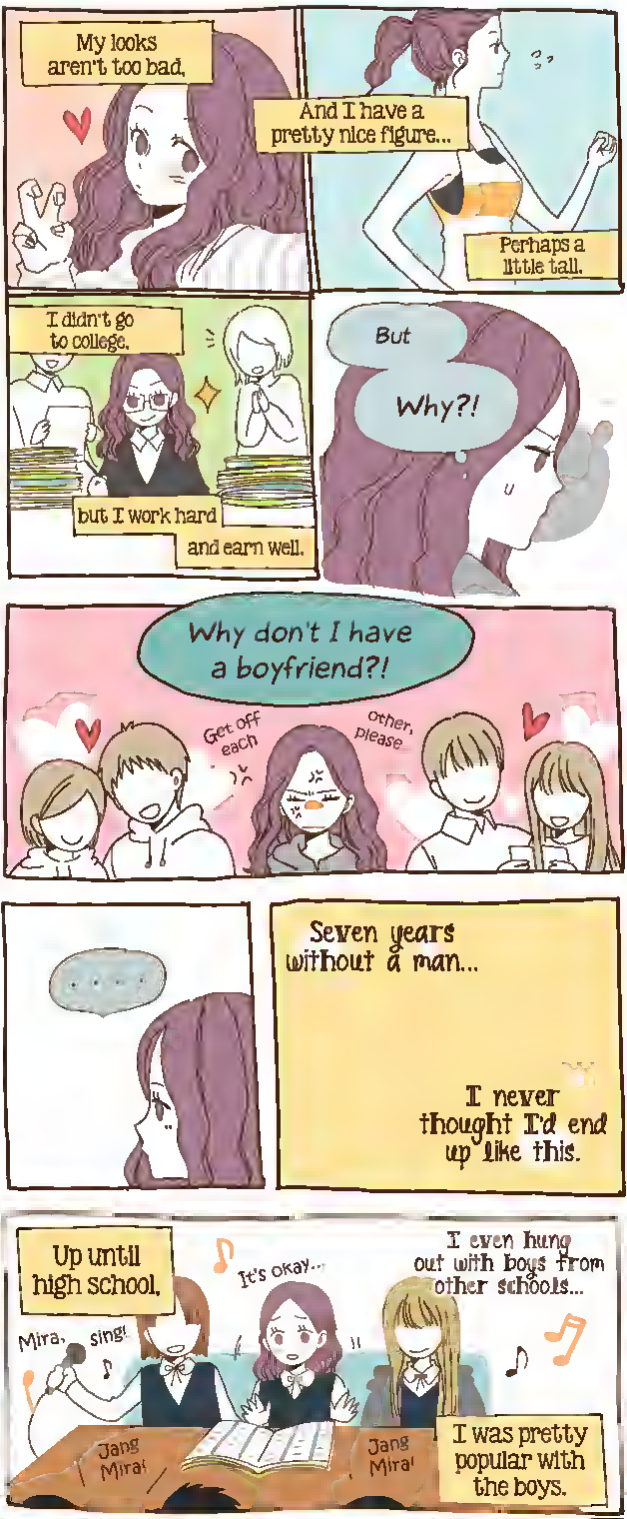
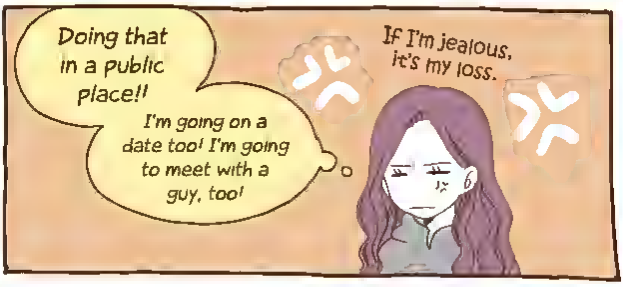
Ep. 3. A Woman Without a Man



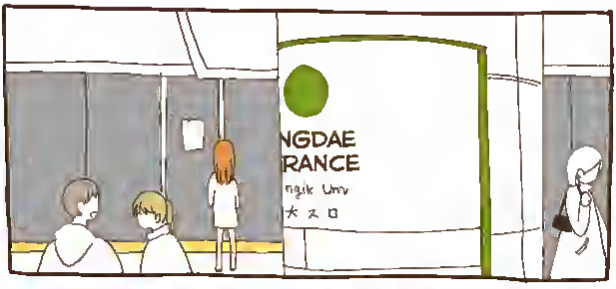
My looks aren't too bad.
And I have a pretty nice figure...
Perhaps a little tall.
I didn't go to college.
but I work hard
and earn well.
But
Why?!
Why don't I have a boyfriend?!
Get off each
Other, please
Seven years without a man...
I never thought I'd end up like this.
Up until high school,
It's okay...
I even hung out with boys from other schools...
Mira, sing!
Jang Mira!
Jang Mira!
I was pretty popular with the boys.

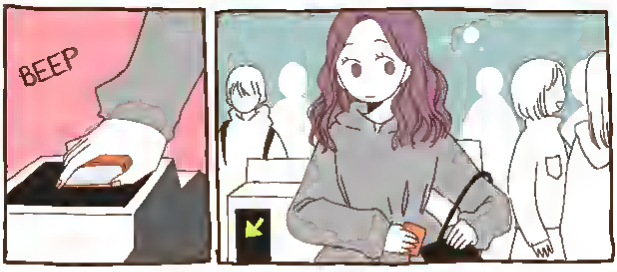
I even dated someone for awhile after they asked me out.
Was that my first, and last boyfriend...?
Ha
I didn't particularly like him,
but I dated him anyway, so it didn't last long.
My first date...
Now that I think about it... Did I really like anyone?
My classmate from elementary school...
Stupid
Mira!
My tutor from middle school
Mira.
pay attention!
And...
The friend of my first boyfriend, who was a year older than me.
Back then I was young,
so the only reason I liked him was that he was taller than me
But since I couldn't muster up the courage,
he ended up with my friend.
No regrets now.
After that, I graduated, got a job, worked my ass off,
and ended up...
All
alone...

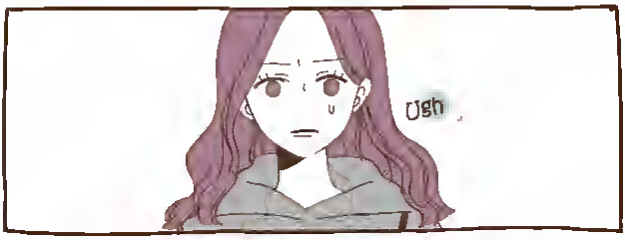
Where do all these people meet and how do they end up together?

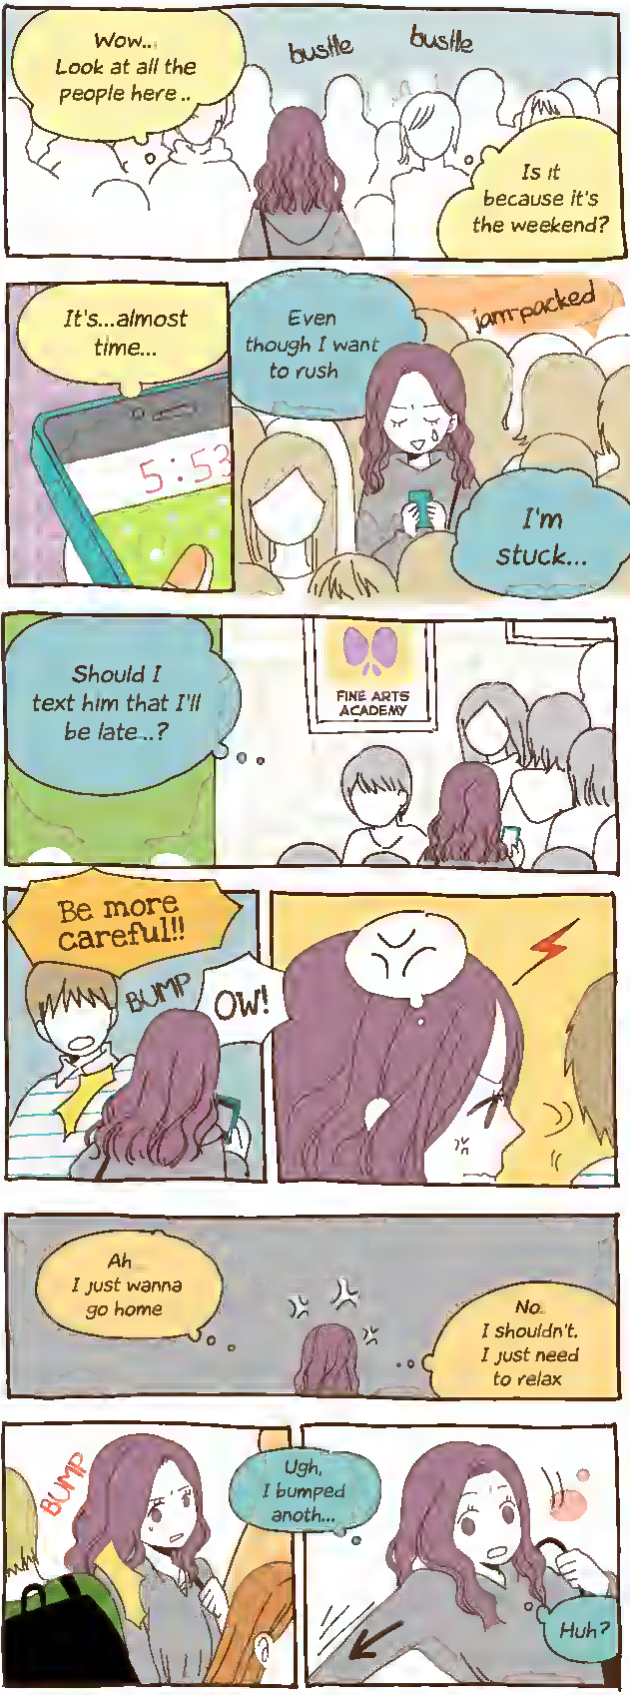


Will I also have a rose-colored life...?









Wow..
Look at all the people here ..
bustle
bustle
Is it because it's the weekend?
It's...almost time...
5:53
Even though I want to rush
jam-packed
I'm stuck...
Should I text him that I'll be late..?
FINE ARTS ACADEMY
Be more careful!!
BUMP

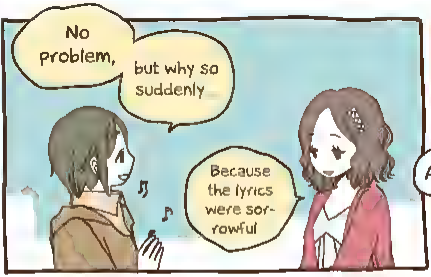
Ep. 4. Old-Time Lovers

shuffle
Oops!!
This is my stop!

Chief,
I'm here~
You're working so hard even though it's the weekend...
These are the final revised documents.
~~~~~
~~~~~
~~~~
point
point
What?
Ah...my earphones!
You always do that!
Ha
Ha
Ha
~~~~

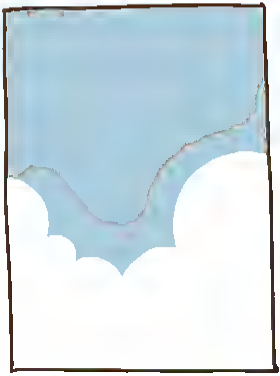
I'm sorry...
What were you listening to? Probably old songs, right?
Well...Yes.
stare—
Miss Jung-Ah, why don't you
make more of an effort with your appearance?
You'd be very pretty if you did

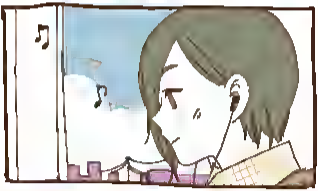
These days, people are so preoccupied with making themselves up, be it man or woman! It's a sort of weapon.
Aha
haha
Plus, if you become prettier, won't your boyfriend appreciate you a bit more?
I'm not scolding you, I just thought it was a pity...
I know, I know...
Anyway, good job and thanks for coming all the way here Miss Jung-Ah I'll see you on Monday
No problem ^^ I'll be going then
Oh,
Miss Jung-Ah.
How's it going with you and your boyfriend?

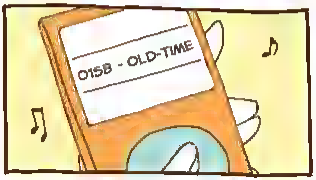


No problem,
but why so suddenly
Because the lyrics were sorrowful
Very loud
Ah...

Don't worry, we're doing fine_^^
Well, that's good!
I'll be going then...
Bye







015B - OLD-TIME

An apartment room in the suburbs that has a relatively cheap monthly rent.
I'm home...
I'm living here together with my boyfriend of five years...
...
Welcome back.
tap
tap

More specifically, three months ago, my boyfriend, an aspiring writer,
He could of at least looked at me...
moved into my apartment and started using it as his studio.
Coffee?
Ah, yeah...
I understand the worries of the people around me...
Because sometimes I worry about it, too.

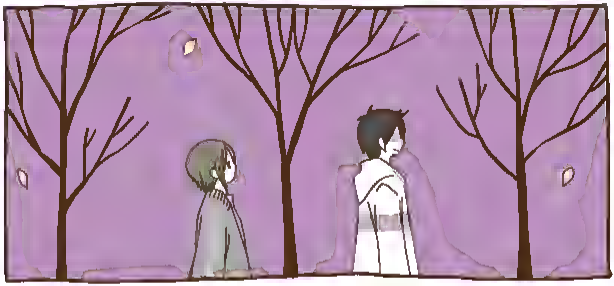
...
Why did you get take-out when I made lunch ...?
...
Five years...
...
Just because
Has the distance between us decreased or increased during that time?

thud
Ah, thank you.
How is it going?
I don't know... Just the same, I think...
streeeetch
Ugh...
Take a break once in awhile.
tap
You'll make yourself sick.
Okay...

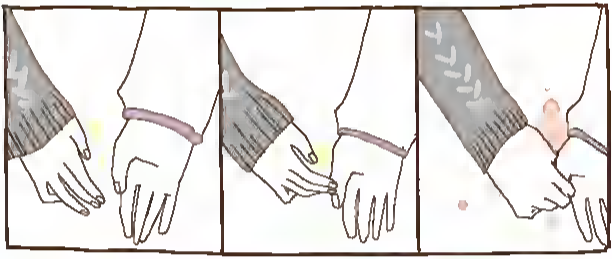
Shall we go for a walk, then...?

And that was hot—

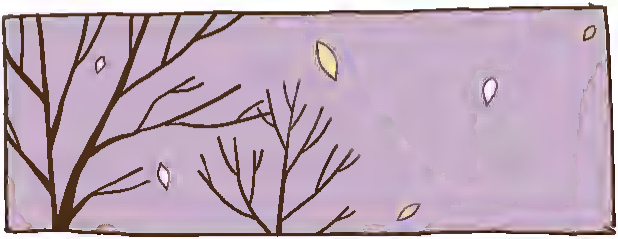
Ah, sorry! ･ᴗ･



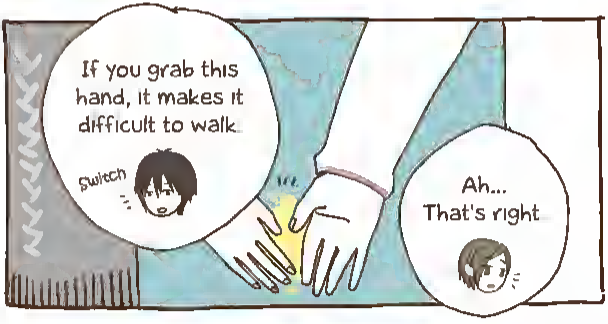
Whenever I have doubts, I tell myself,



It doesn't matter whether the distance is longer or shorter...



The memories and trust piled up during that time that we were together...



Will have made our relationship stronger,

whether the distance be great or small.

So we'll always be okay.

When we get back home, let's eat the food you made.

Great idea

In the times to come...

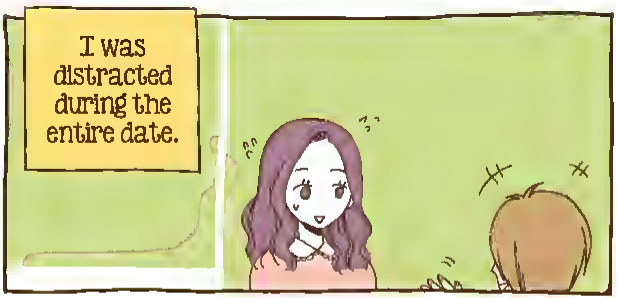
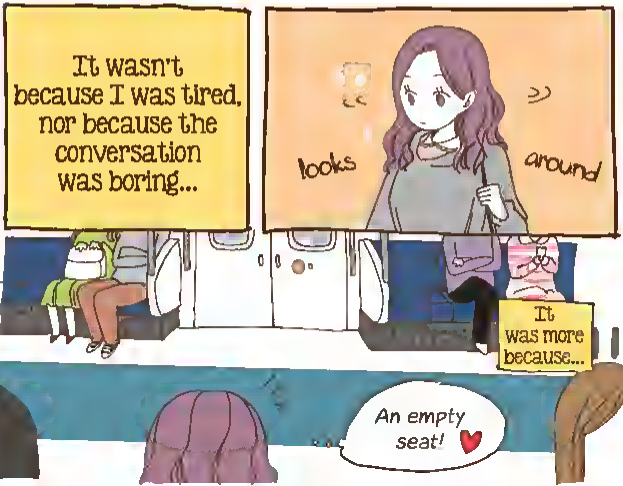
Ep. 5. Dramas and Reality

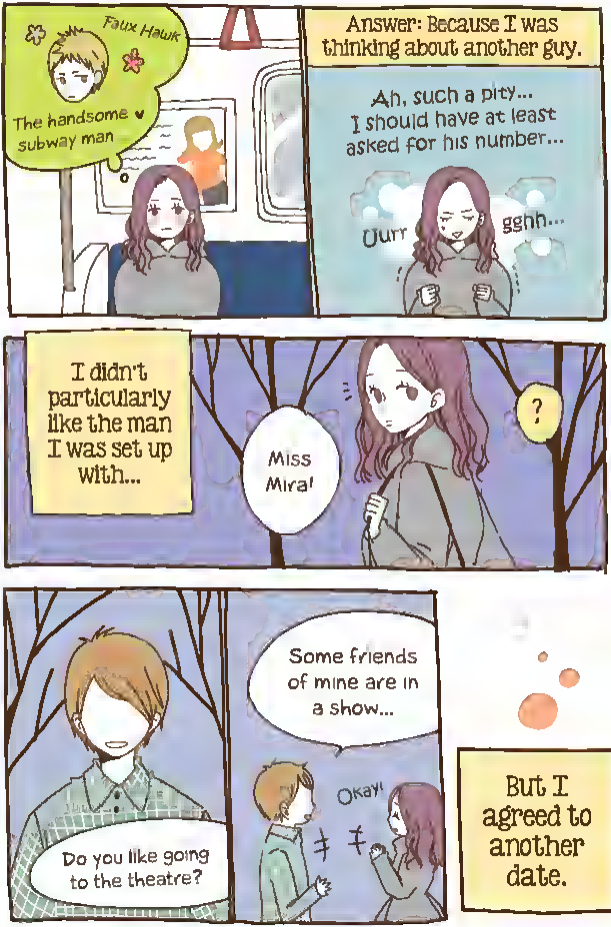


I was distracted during the entire date.

cla
ck



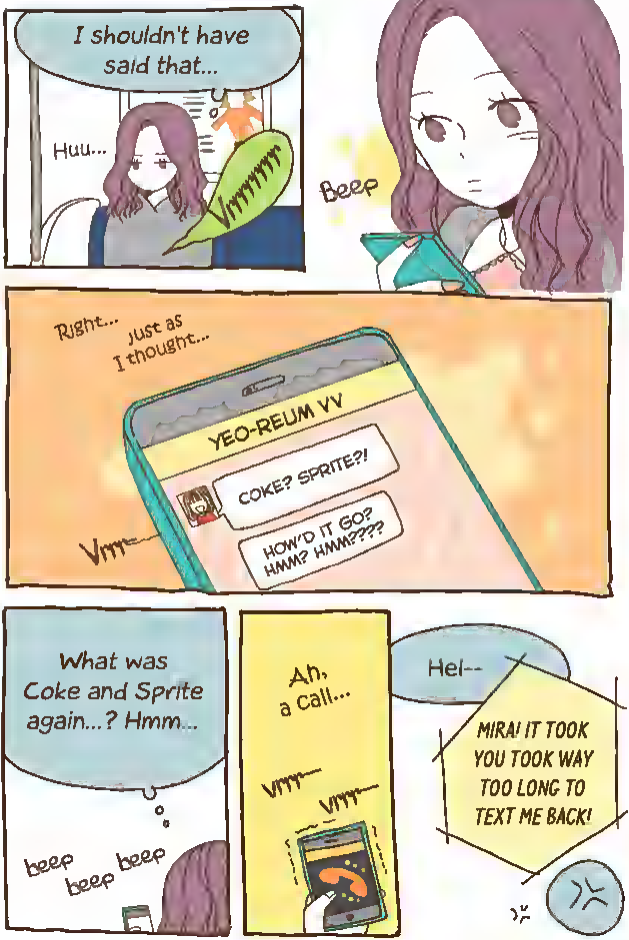
It wasn't because I was tired, nor because the conversation was boring...
looks
around
It was more because...
An empty seat!



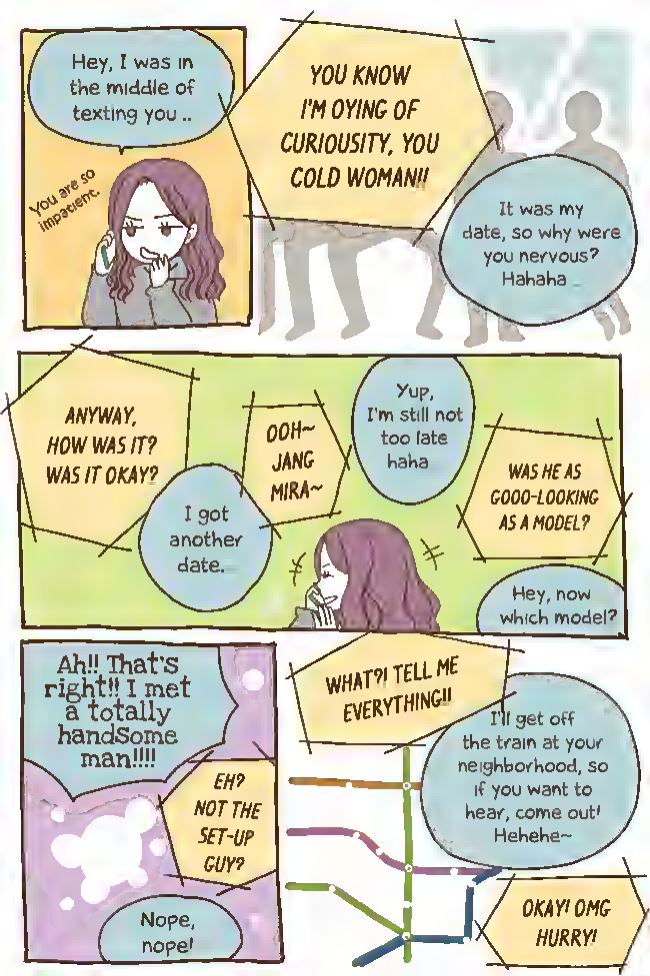
Faux Hauk
The handsome subway man
Answer: Because I was thinking about another guy.
Ah, such a pity... I should have at least asked for his number...
Uurr
gghh...
I didn't particularly like the man I was set up with...
Miss Mira!
?
Do you like going to the theatre?
Some friends of mine are in a show...
Okay!
But I agreed to another date.

I've already forgotten his face..
So tired after all that smiling
I told my friends that I had agreed to that set-up date against my will...
A few days back...
Miss Mira!
Do you have any pretty friends?
My friends?
Why...?
Ah, one of my husband's friends is single, so I was thinking of setting him up with someone
Ah ..

He's tall, earns pretty good money for a young guy, and is funny..
Hm...
TA
DA!
I strongly recommend myself!
I'm definitely interested!
I'd be more than happy if it's you...
Thank you!!
That was quick, Mira...Haha!
This is the truth, so I can't straight-out refuse him even if I don't really like him.

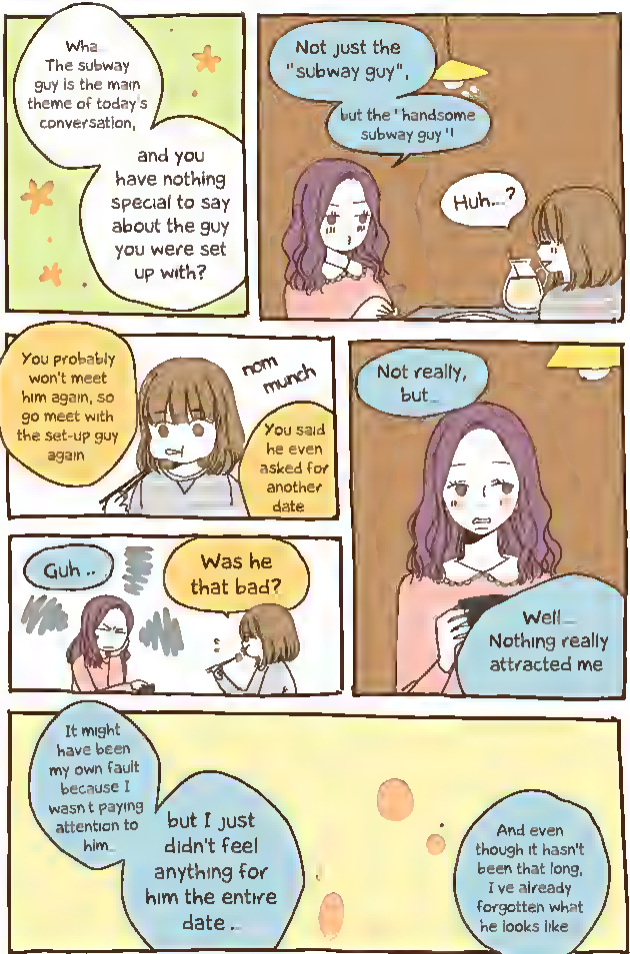


I shouldn't have said that...
Huu...
Vrrrrrrr
Beep
Right... just as I thought...
YEO-REUM VV
COKE? SPRITE?!
HOW'D IT GO? HMM? HMM????
Vrrr—
What was Coke and Sprite again...? Hmm...
beep beep beep
Ah, a call...
Vrrr—
Vrrr—
Hel--
MIRA! IT TOOK YOU TOOK WAY TOO LONG TO TEXT ME BACK!

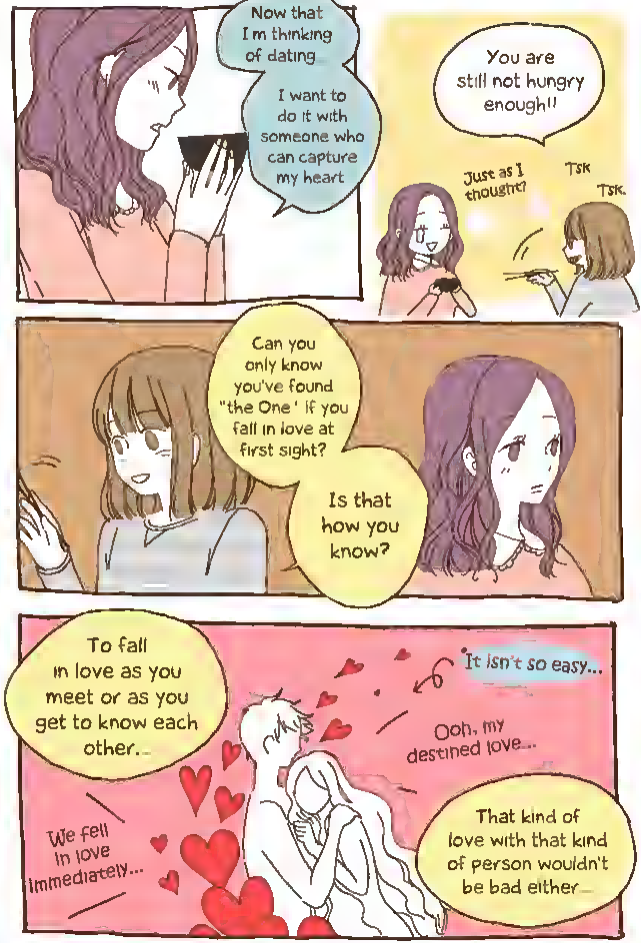


Hey, I was in the middle of texting you ..
You are so impacient.
YOU KNOW I'M DYING OF CURIOUSITY, YOU COLD WOMAN!!
It was my date, so why were you nervous? Hahaha ..
ANYWAY, HOW WAS IT? WAS IT OKAY?
I got another date.
OOH~ JANG MIRA~
Yup, I'm still not too late haha
WAS HE AS GOOO-LOOKING AS A MODEL?
Hey, now which model?
Ah!! That's right!! I met a totally handSome man!!!!
EH? NOT THE SET-UP GUY?
Nope, nope!
WHAT?! TELL ME EVERYTHING!!
I'll get off the train at your neighborhood, so if you want to hear, come out! Hehehe~
OKAY! OMG HURRY!

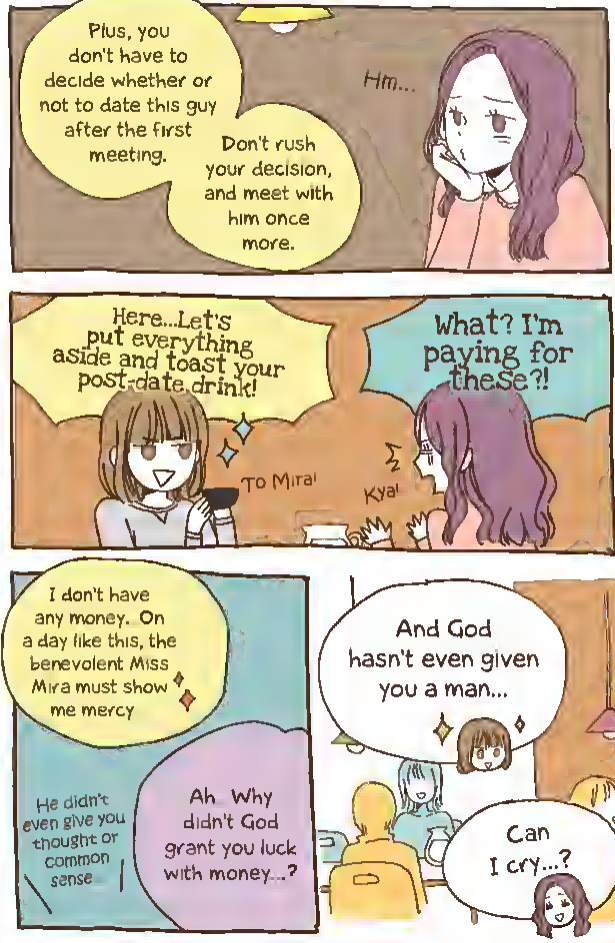
1
OMOK BRIDGE
Over here!!
starry cafe



Wha..
The subway guy is the main theme of today's conversation,
and you have nothing special to say about the guy you were set up with?
Not just the "subway guy",
but the 'handsome subway guy'!
Huh...?
You probably won't meet him again, so go meet with the set-up guy again
nom munch
You said he even asked for another date
Not really, but...
Guh ..
Was he that bad?
Well... Nothing really attracted me
It might have been my own fault because I wasn't paying attention to him..
but I just didn't feel anything for him the entire date..
And even though it hasn't been that long, I've already forgotten what he looks like

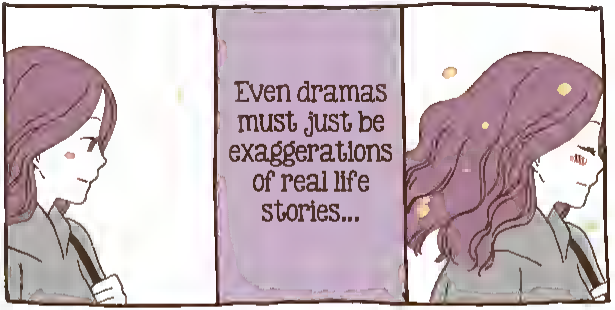


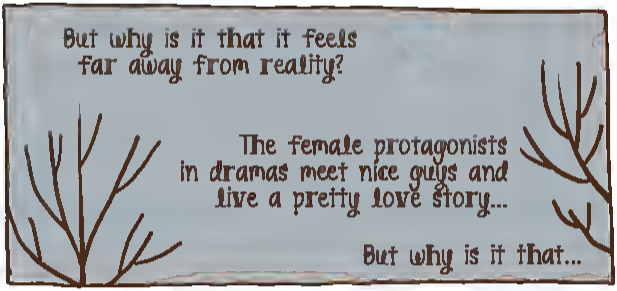
Now that I'm thinking of dating
I want to do it with someone who can capture my heart
You are still not hungry enough!!
Just as I thought!
Tsk
Tsk.
Can you only know you've found "the One" if you fall in love at first sight?
Is that how you know?
To fall in love as you meet or as you get to know each other...
We fell in love immediately...
It isn't so easy...
Ooh, my destined love...
That kind of love with that kind of person wouldn't be bad either...



Plus, you don't have to decide whether or not to date this guy after the first meeting.
Don't rush your decision, and meet with him once more.
Hm...
Here...Let's put everything aside and toast your post-date drink!
To Mira!
What? I'm paying for these?!
Kya!
I don't have any money. On a day like this, the benevolent Miss Mira must show me mercy
He didn't even give you thought or common sense
Ah Why didn't God grant you luck with money...?
And God hasn't even given you a man...
Can I cry...?

You really won't take a taxi? It's late...
I'm tipsy.
I need to walk off the drinks, and it's just a short walk, anyway
Text me when you get home!
Okie-dokie!
The breeze feels nice♥
clack
clack





But why is it that it feels far away from reality?
The female protagonists in dramas meet nice guys and live a pretty love story...
But why is it that...

Ah! Is this right...?

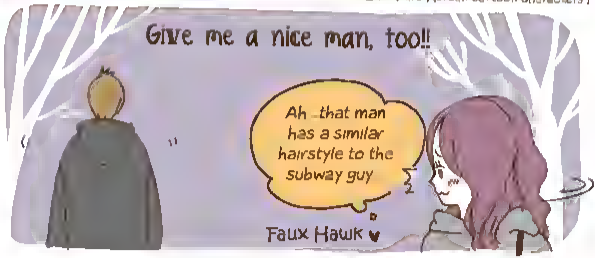
Is it because I'm not the protagonist of this drama...?

It's so unfair!!

Like Hani, I work hard, and like Candy, I don't cry!

And I'm properly facing reality.

(TN: Hani and Candy are Korean cartoon characters.)



In the end, she just wanted to meet with the "handsome subway guy" again rather than the set-up guy.

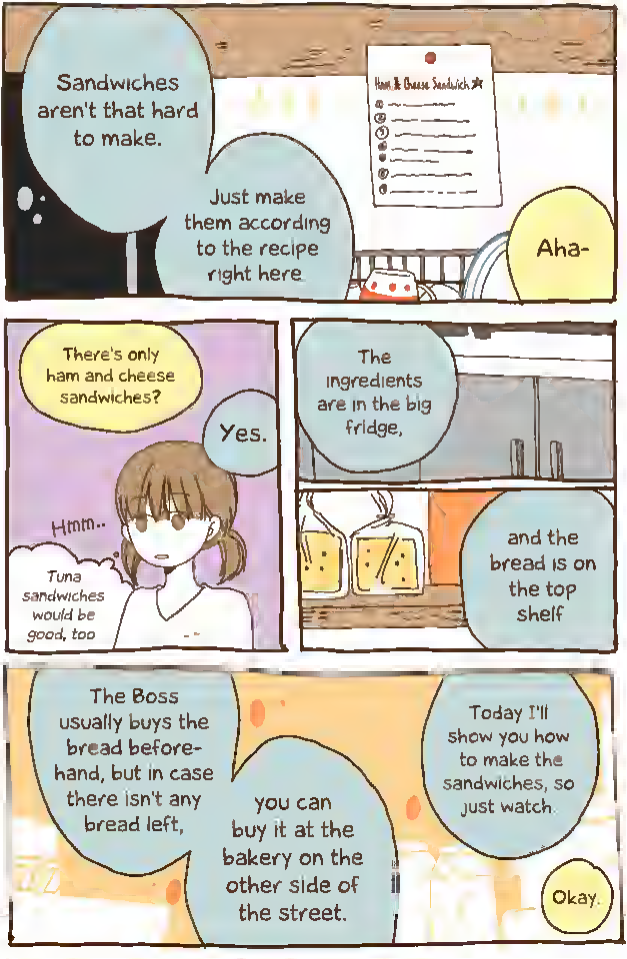
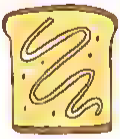
Good job I forgot to give it to you.
So when you get here in the morning, first you turn on the register Ah, do you know how to work a register?
Ah, yes, I know how to do that!!!
My numerous part-time experiences pay off somehow
Proud
That's good Then have you ever made sandwiches before .?
One or two times... Just for a snack
The ingredients are this way



Sandwiches aren't that hard to make.
Just make them according to the recipe right here
Aha-
Ham & Cheese Sandwich
There's only ham and cheese sandwiches?
Yes.
Hmm..
Tuna sandwiches would be good, too
The ingredients are in the big fridge,
and the bread is on the top shelf
The Boss usually buys the bread beforehand, but in case there isn't any bread left,
you can buy it at the bakery on the other side of the street.
Today I'll show you how to make the sandwiches, so just watch.
Okay.

Easy-peasy Ham & Cheese Sandwich

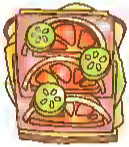
1. One slice of bread, spread mayonnaise in a zig-zag pattern



2. Add plenty of lettuce, 2 or 3 leaves should do

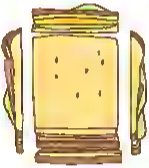
3. Place 2 ham slices and 1 and 1/2 slices of cheese on top of the lettuce.

4. Add tomatoes, onions and pickles as needed.

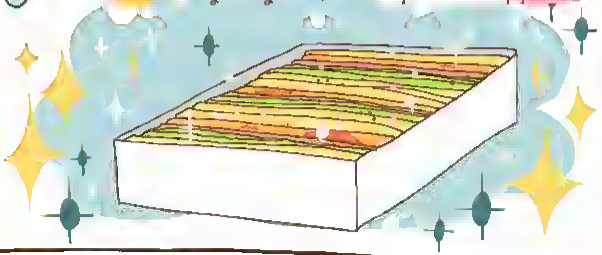


5. Top it with another slice of bread with mayonnaise, prepared as in step 1.

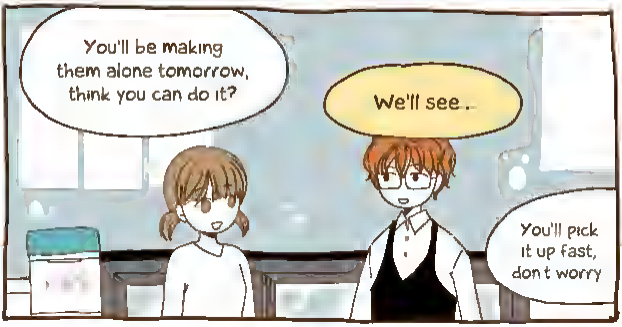
6. Cleanly cut off the bread crusts



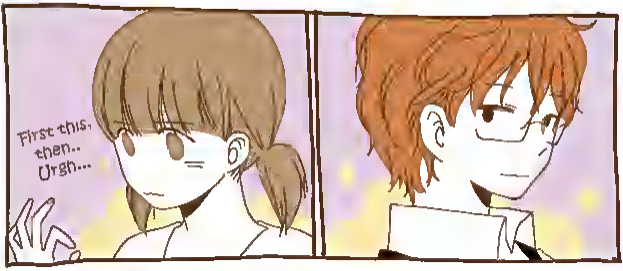
7. Cut it into thirds so they're easy to eat, and then put them in a paper box.



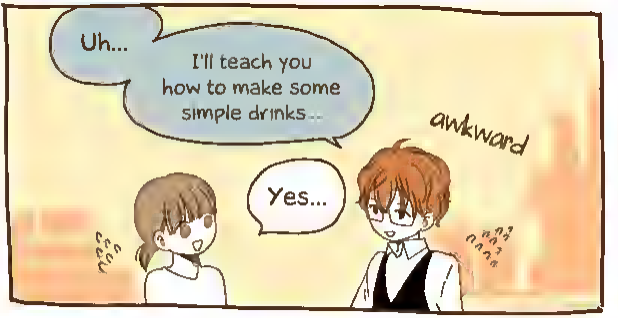
After you've wrapped them up,
Here
Just put them in the showcase, et voilá!



You'll be making them alone tomorrow, think you can do it?
We'll see..
You'll pick it up fast, don't worry

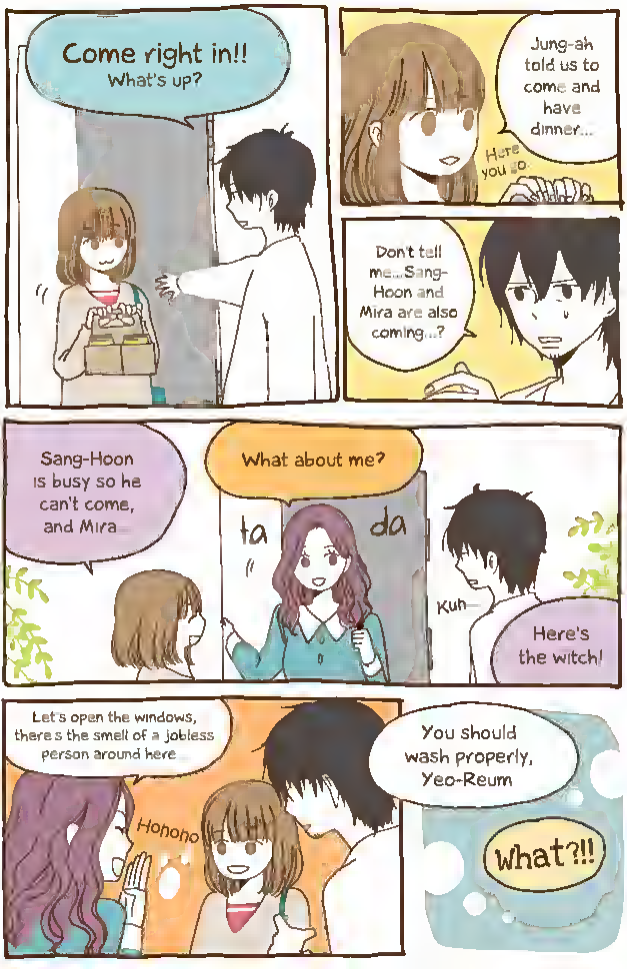


First this, then.. Urgh...



Uh...
I'll teach you how to make some simple drinks...
Yes...
awkward

ding-dong
Who is it?
OPPA, IT'S ME, YEO-REUM!
What? Jung-ah isn't home yet.
PLEASE LET ME IN.. I BROUGHT BEER!



Come right in!!
What's up?
Jung-ah told us to come and have dinner...
Here you go
Don't tell me...Sang-Hoon and Mira are also coming...?
Sang-Hoon is busy so he can't come, and Mira—
What about me?
ta

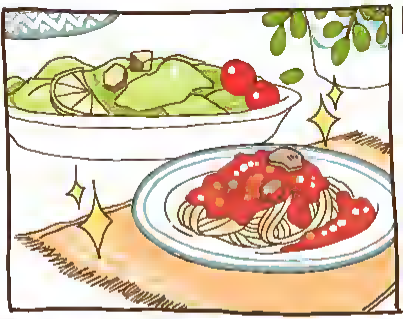
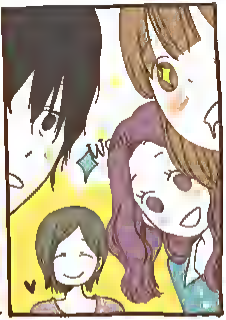
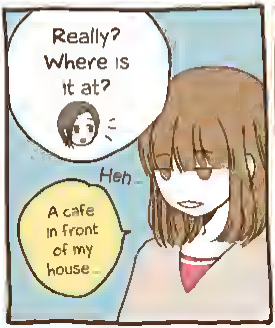
Kuh—
Here's the witch!
Let's open the windows, there's the smell of a jobless person around here
Hohoho
You should wash properly, Yeo-Reum
What?!!

I'm not jobless anymore...!
You got a job?!
Just a part-time...
Then the source of the smell can only be one...
There's also the smell of a forever-alone...
Sniff
Sniff
Sniff
What'd you say?!
I'm back...
Huh?
GRRR!

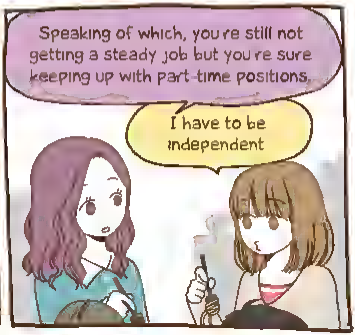




Is today some special day?
I just bought a cookbook on the way home.
What's that about? Hahaha..
Ah! Jung-ah! I got a part-time job!



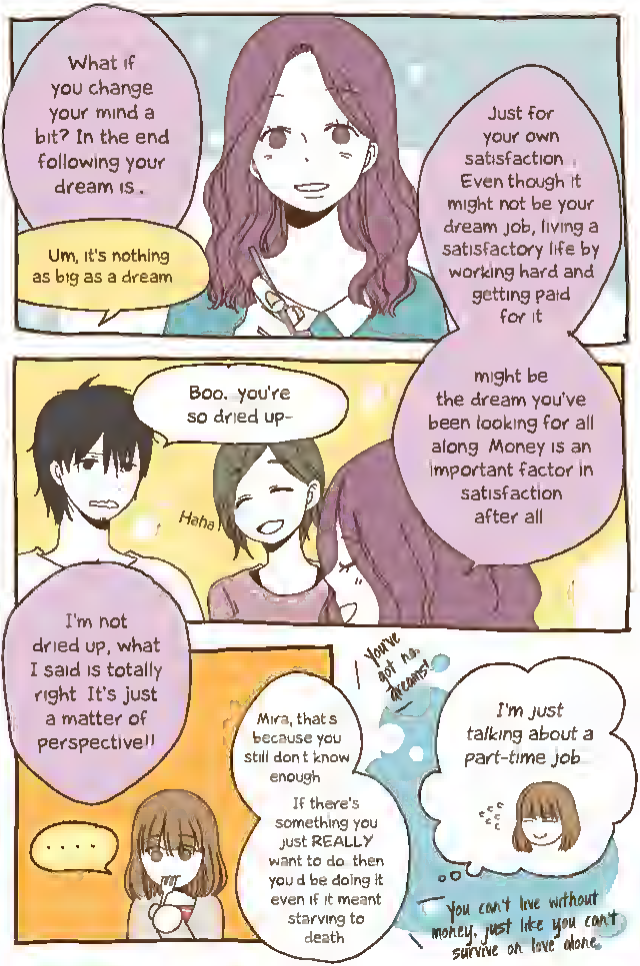
Really? Where is it at?
Heh..
A cafe in front of my house..



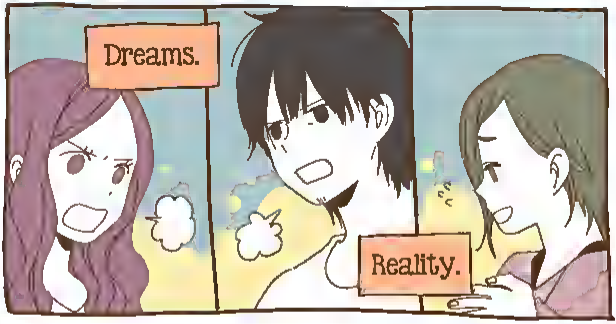
Speaking of which, you're still not getting a steady job but you're sure keeping up with part-time positions.
I have to be independent

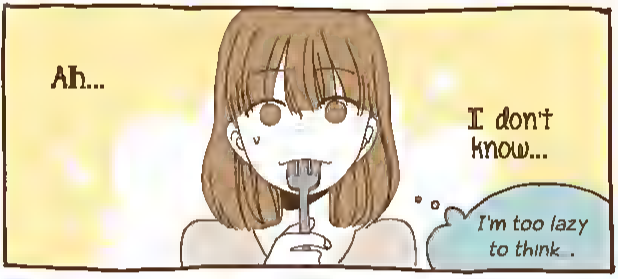
But don't your parents say anything to you?
Nom
Of course they do. They always tell me to get a proper job...
Hm. But I still don't know what kind of job I want,
and I don't know what would suit me best
Huu-
You don't have to get a job that suits you the best now....
I think your dream job is something you find after you've tried many things, and you've come near the end of it all.
Try this, too
You're doing well.

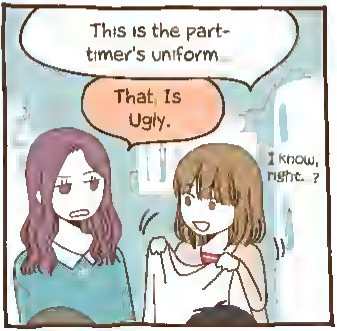
I should find it before I get any older...
Even now, at my age...
NonSenSe!!
SHOUT
You're still young enough, so don't worry about that too much.
No, I am worried...
Just look for it at your own pace...
But finding it fast would be for the best.
Being stubborn and looking for the "right job" and making everyone else exasperated is a bit...
poke poke
No, I'm not that laid-back in looking...



What if you change your mind a bit? In the end following your dream is...
Um, it's nothing as big as a dream
Just for your own satisfaction. Even though it might not be your dream job, living a satisfactory life by working hard and getting paid for it
Boo. you're so dried up-
Haha
might be the dream you've been looking for all along. Money is an important factor in satisfaction after all
I'm not dried up, what I said is totally right. It's just a matter of perspective!!
....
Mira, that's because you still don't know enough
If there's something you just REALLY want to do, then you'd be doing it even if it meant starving to death
You've got no dreams!
I'm just talking about a part-time job
You can't live without money, just like you can't survive on love alone.







Maybe I'm still too immature?

Oh well. It'll work out somehow... That's all I can think right now.

It was just two words...
I let my guard down because it was a small café...
Early morning
But a bunch of business workers from the buildings behind ours came flooding in during their lunch break...
Lunch time
It's hard to deal with all of them, even with four of us
Huu...
Four?
Yup. Four.

Cafe nothing family

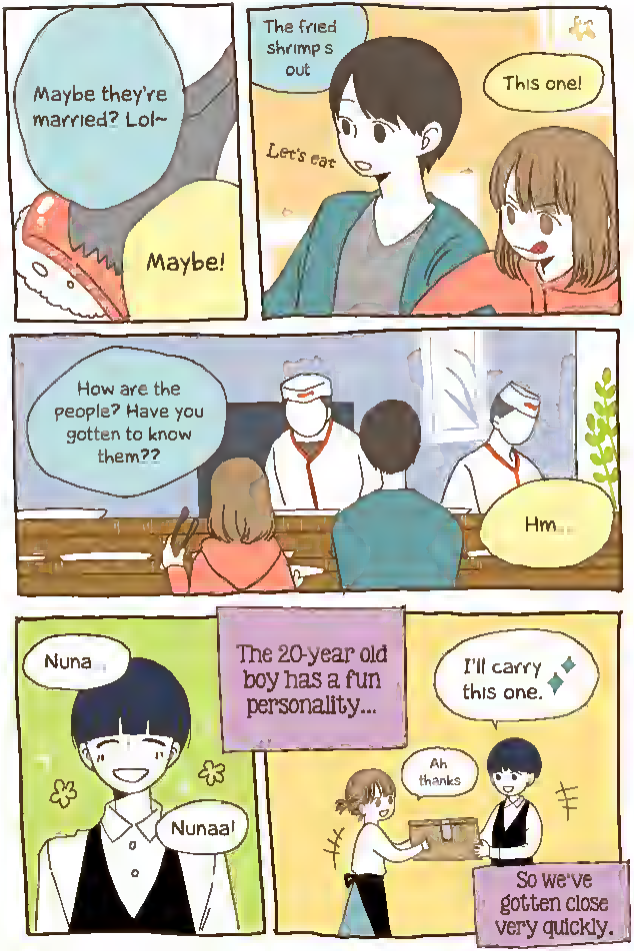
I haven't been working for long...
I'll learn coffee-making soon... Soon...
Eheh
If you're that busy with four employees, then there must be a lot of customers...
And that's not all There's some really strange customers...

One day, while I was on the register, there was a woman who at first glance looked like a rich madame...
Welcome!
One caramel latte...
But without the caramel.
Eh?
How much is it?
I'm sorry, but your order
Did you not hear me? Give me a caramel latte, without the caramel syrup
Ah... That's...

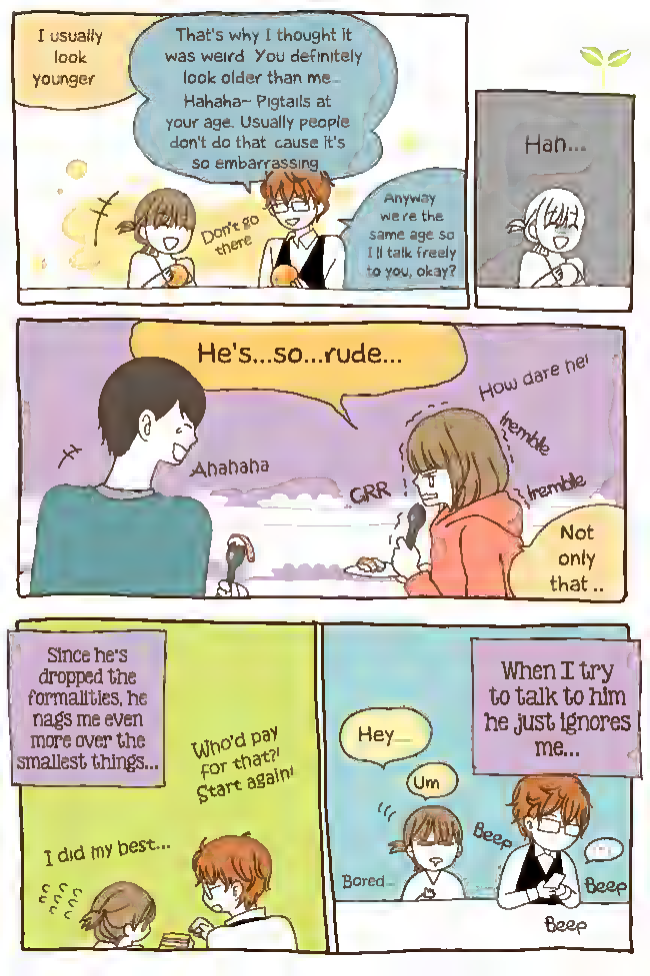
Ma-Ma'am...
You mean without the caramel syrup that goes on top of the caramel latte, right?
Or did you mean to take out the caramel from the drink itself?
In which case it would just be a regular latte...
No...I mean both the caramel that goes on top and the caramel that goes in the drink. One caramel latte without caramel
I don't feel like anything sweet today. And I don't drink regular lattes
Mm... That is... If you take out the caramel from the caramel latte, that's just a regular caffè latte...
Th-Then I'll just have you pay for a regular latte. The regular is much cheap--
Didn't I just say caramel latte?!
For crying out loud!

I said a caramel latte with no caramel!
Ri-Right away ma'am!
sh
out
And then?
In the end she paid for a caramel latte and got a regular one...
It's 50 cents more expensive.
Hahaha.
She just wouldn't hear it! Haha~
There are quite a few people like that.
Ah, shrimp sushi!!
Go get your own!
Kekeke!
That reminds me, my friend works at a café too, and he had a similar customer before
Then I'll ring you up just for the espresso. That's way cheaper... Without the water it'll be espresso anyways...
I don't care, I just want an americano without water!!
A man ordered an americano without the water and just the espresso shot...



Maybe they're married? Lol~
Maybe!
The fried shrimp s out
This one!
Let's eat
How are the people? Have you gotten to know them??
Hm...
Nuna
Nunaa!
The 20-year old boy has a fun personality...
I'll carry this one.
Ah thanks
So we've gotten close very quickly.

The problem is the other guy who's my age...
What?
Twenty-five? You're the same age as me?
I thought you were younger...
Why so?
Because I look younger?!
The answer is clear, you just need to open your mouth...
Um..
Do I look younger??
On your first day, you put your hair in pigtails ..
Ah... Yes.
So when I saw that I thought, 'Ah She must be young .'
Aha~



I usually look younger
That's why I thought it was weird. You definitely look older than me. Hahaha~ Pigtails at your age. Usually people don't do that 'cause it's so embarrassing.
Don't go there
Anyway we're the same age so I'll talk freely to you, okay?
Han...
He's...so...rude...
How dare he!
Trembling
Ahahaha
GRR
Trembling
Not only that..
Since he's dropped the formalities, he nags me even more over the smallest things...
Who'd pay for that?! Start again!
I did my best...

Hey
Um

Anyway, I just don't like him...Even though it's a part-time job,
if I can't like the people I work with, how can I like the work I do?

Boo...
I wanna work part-time with you too...
OH! Wanna come??
It was just a thought...

You're getting way too much egg sushi...
Hm?
But they're sweet and fluffy! They're delicious!
So good!
You just can't make them like this at home!
You're just like a kid. Hehe
pat pat
Kyah!
Eat up!
Hehe
Yup!
I'm going to eat sushi with my boyfriend tomorrow!
Oh. Really?

Jealous? Jealous?
Sure. Very jealous.
Wash them properly.
I'll be sure to eat your portion too!
Kyah!
No, thanks.
Should I sneak some for you?
That's just nonsense...
Then. I want some egg sushi...
You're not telling me not to. Keke~
But why egg sushi?
I really like it!
Some people say it's a waste of money, but...

It's sweet, just like castella bread.
It's soft and fluffy, too..
Mmm~
That...
That's sooo right!! At home it just doesn't turn out the same...
Yup, exactly my point, haha...
Glad we both agree!

That was the only thing we agreed on.
Yum.

Eat slowly...
I'll eat enough for two

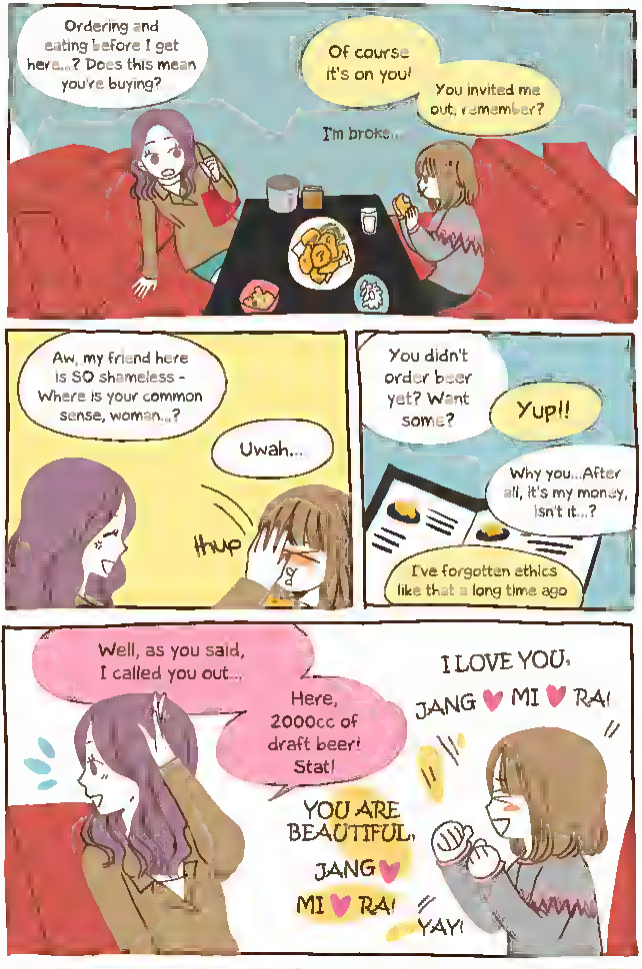
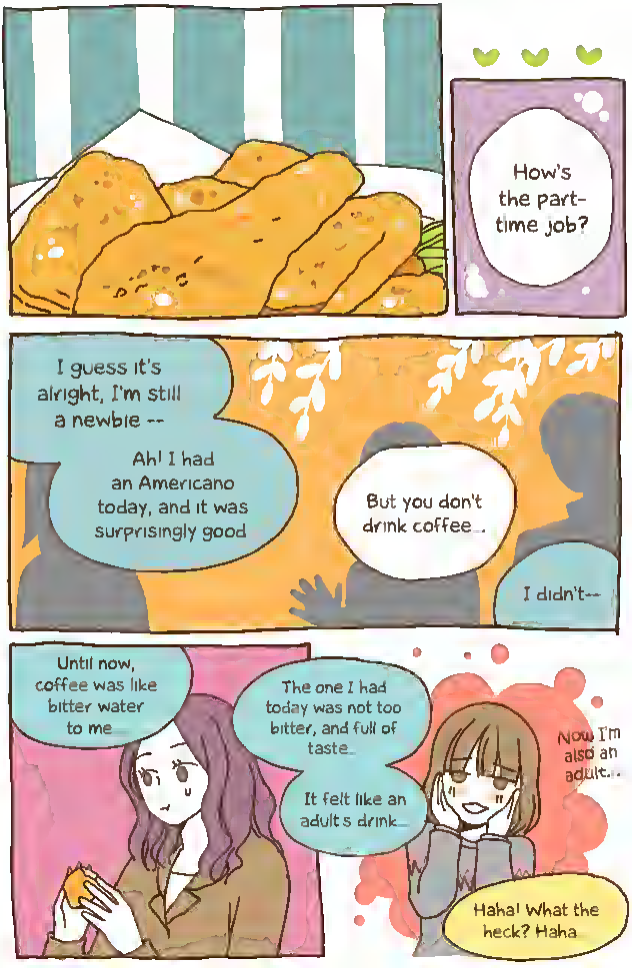
Ah... Haha
???
That set-up guy.. I guess he told her he was the one who dumped me...

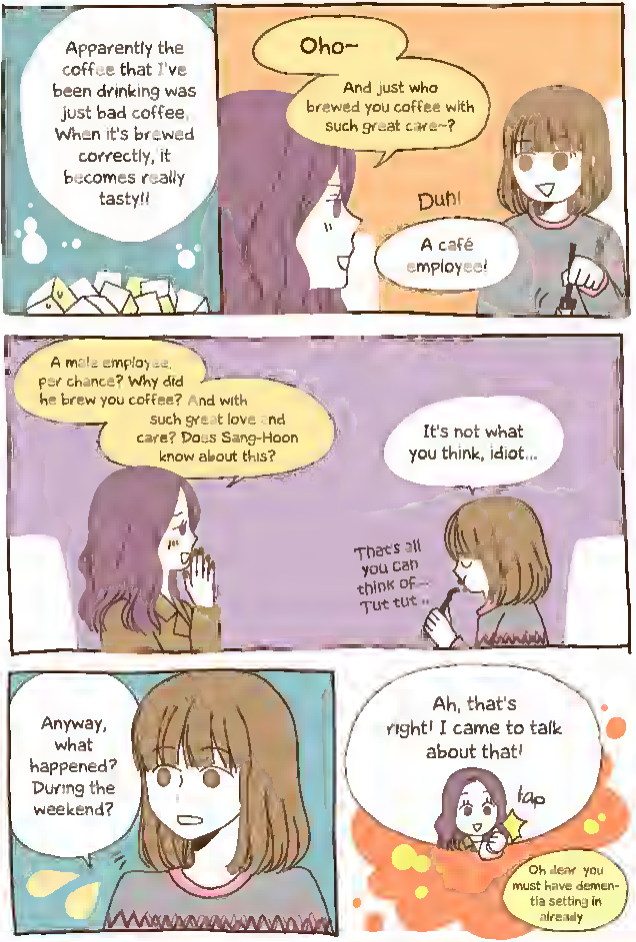
If there's another good one, I'll set you two up. ^^
Sorry~
Ah, yes, thank you Haha
I guess this is okay This way I won't feel uncomfortable around her
Hm...
Welcome!
Ah, youah heah? (You're here?)



Ordering and eating before I get here...? Does this mean you're buying?
Of course it's on you!
You invited me out, remember?
I'm broke...
Aw, my friend here is SO shameless - Where is your common sense, woman...?
Uwah...
thup
You didn't order beer yet? Want some?
Yup!!
Why you...After all, it's my money, isn't it...?
I've forgotten ethics like that a long time ago
Well, as you said, I called you out...
Here, 2000cc of draft beer! Stat!
I LOVE YOU, JANG ♥ MI ♥ RA!
YOU ARE BEAUTIFUL, JANG ♥ MI ♥ RA!
YAY!



How's the part-time job?
I guess it's alright, I'm still a newbie --
Ah! I had an Americano today, and it was surprisingly good
But you don't drink coffee...
I didn't--
Until now, coffee was like bitter water to me...
The one I had today was not too bitter, and full of taste...
It felt like an adult's drink...
Now I'm also an adult...
Haha! What the heck? Haha...



Apparently the coffee that I've been drinking was just bad coffee. When it's brewed correctly, it becomes really tasty!!
Oho~
And just who brewed you coffee with such great care~?
Duh!
A café employee!
A male employee, per chance? Why did he brew you coffee? And with such great love and care? Does Sang-Hoon know about this?
It's not what you think, idiot...
That's all you can think of— Tut tut...
Anyway, what happened? During the weekend?
Ah, that's right! I came to talk about that!
tap
Oh dear, you must have dementia setting in already

You know I met up with the set-up guy on Saturday...
Ah!!! I remember now!!!
Hah...Well, spectacular things happened that day...
Come on!! Tell me everything! Spill!!!
Curious?
Big fan of other people's stories
Kekeke.
So what happened was...

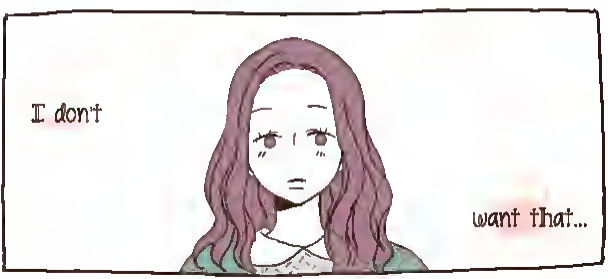
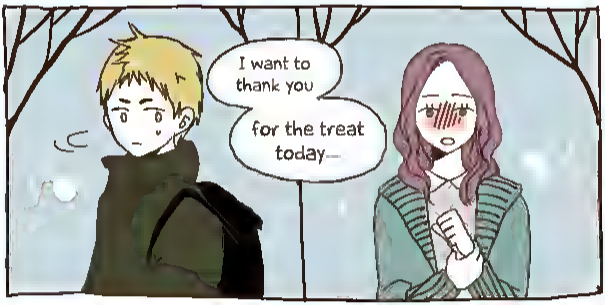
But having hit rock bottom might be a good thing,
since it means I can't fall any lower...



Now that I don't have anything to lose,
I'll muster up some courage again.

And that courage...



Instead of a drink... Let's eat something again.
